GARDEN POD COLLECTION

The Rotating Lounger

Mulled Wine

DINING. LOUNGING. A DIFFERENT OUTLOOK.

A versatile garden pod with wraparound seating for up to eight. Mulled Wine pairs a deep red interior with the warmth of timber and the reflective finish of stainless steel.

360° rotation

Rotate into the sunshine, find some shade or welcome a gentle breeze.

Space for eight

Bring family and friends together around the table for meals and conversation.

Easy to adapt

Lower the table to create a flat lounging and bedding area with infill cushions.

THE MULLED WINE INTERIOR

Room to put your feet up

The table lowers easily, allowing the dining layout to become a flat lounging area.

Colour and comfort

Mulled Wine water-resistant vinyl upholstery offers a practical, easy-clean surface. A selection of scatter cushions completes the interior.

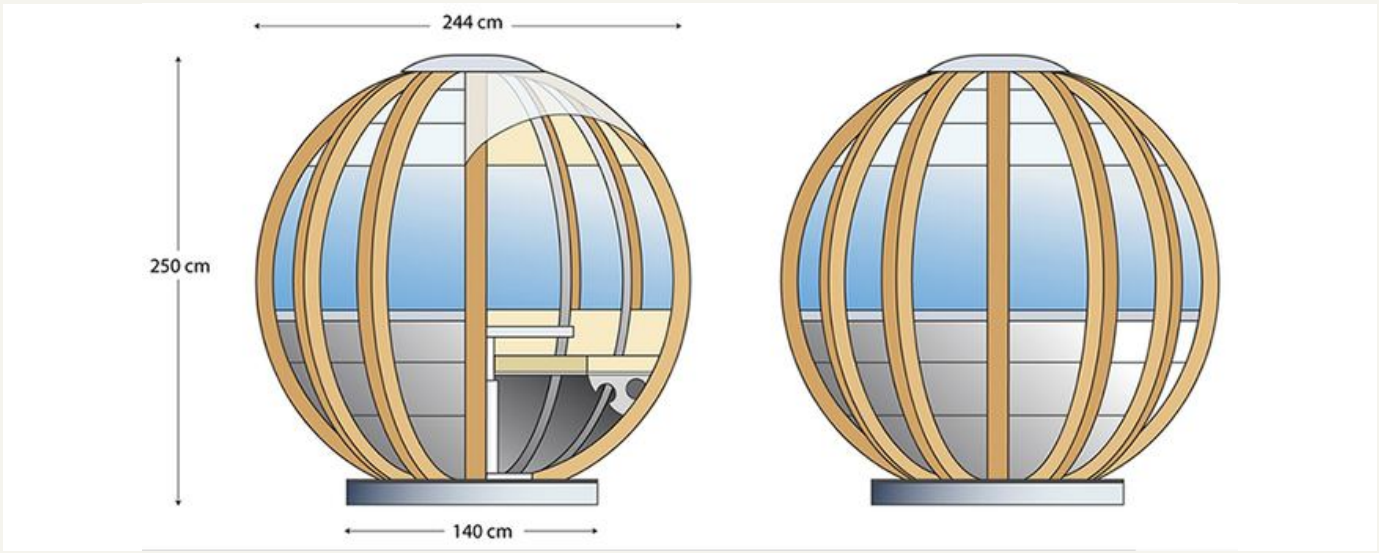

Colours vary with lighting, screens and print.
